Mr. Ernie Horn
Executive Director
Score A Goal in the Classroom
819 Penn Street
Fort Worth, Texas 76102

Dear Mr. Horn:

On behalf of the City Council and the citizens of Fort Worth, please accept this letter in support of the Score A Goal in the Classroom rally, **"The Best Is Yet to Come in Every Tarrant County School!!"**

Score A Goal in the Classroom is a program designed to encourage and motivate students with positive rewards as well as an opportunity to raise grades, achieve better attendance and become a more responsible citizen. Score A Goal's mission, which is to train, encourage and mold the leaders of our future, is admirable as it benefits students, administrators, educators and employees.

"The Best Is Yet to Come" rally, on September 17, 2011, will be an opportunity for participants to meet education leaders and hear how successful groups are collaborating with schools to change history in a more positive way. It is through programs like these that parents, grandparents, aunts, uncles and neighbors can get involved with our school age kids by reading to them, tutoring them and guiding them to become productive members of society.

We are proud to support this important initiative. I firmly believe in the words, "It Begins With Me!"

Sincerely,

Betsy Price
Mayor
